Welcome to 2025! Please complete **Welcome Step** of our mandatory registration process. Additional steps, which include the NCAA BCS and Team Fees will be communicated directly by your Team Coach.

Cookie App Instructions for Athletes and Parents

Get Connected to FBC!

Hello Parents and Athletes! The purpose of the Cookie App registration is to connect participants to the Finest Basketball Club's (FBC) communication platform. This platform will allow the FBC program to provide essential updates such as club newsletters, player highlights, event details, tournament news, birthday shoutouts, and more! This registration process is part of the **Welcome Step** for the entire FBC program. Additionally, the FBC All-Access Fee is mandatory for all players. Thank you for completing the **Welcome Step** in advance, and we are excited to have a strong and competitive Spring/Summer 2025 basketball season ahead!

Key Points:

- **Athlete Accounts:** Ideally, use the athlete's information. If your athlete doesn't have an email, please create one for them (make sure it is parent-monitored). This will be important for NCAA and recruiting profiles. However, a parent's email and phone number may also be used if needed.
- **FBC All-Access Fee:** Provides Players and Parents with a comprehensive suite of benefits, including scouting profiles, national media coverage, discounted gear, social media exposure, AAU membership, and more. These resources enhance visibility, recruitment opportunities, and overall development within the Finest Basketball Club community, ensuring players reach their full potential. Fee = \$140.

Estimated Completion Time: 30 minutes.
